### **Is there a weight limit that I can put in each box?**

The maximum weight is 70 pounds. The combined length and girth of a piece (the length of its longest side plus the distance around its thickest part) may not exceed 108 inches. We cannot accept large electronics, any liquids, fragile, hazardous or volatile items, or ammunition in the boxes.

### **How much does it cost?**

\$15 per box

### **Can I ship more than one package with one label?**

No, you need a separate label for each box.

### **How Do I Ship the Box?**

Drop it off at the nearest UPS or leave it in the post room of your building for them to pick up when they next visit.
