Check 1/4" seam accuracy—Sew three 1 1/2" strips of fabric together with a 1/4" seam. Press in one direction. The center strip should measure exactly 1". If the measurement is different adjust as needed.

Use a 1/4" seam allowance for all seams.

## Assembling the Quilt Top:

1. Layout 7.5" squares in desired design with 6 blocks across and 8 blocks down.
2. Use a 1/4" seam allowance.
3. Press seams to one side, alternating rows to allow seams to nestle together.
4. Please do not serge seams.
5. Sew the blocks in each row together and press the seams in the direction indicated in the diagram.
6. Then sew rows 1-8 together, matching the seam lines.
